

The Silence is equipped with a sound proof ring and cover that, when closed, creates a water tight seal. The vacuum that is created, reduces flush noises, boosts flush power and improves overall bathroom hygiene significantly, retaining small water droplets inside the pan. This seat stays tight with STA-TITE® Top Fix: the patented fixing system that keeps your seat tight and installs easily from the top of the pan. No more loose seats!

**SEAT FEATURES**

Push n'Clean - the easy release system for hygienic cleaning. Simply push down and lift the seat off
