

The Push n'Clean Design is developed for universal pans and features Push n'Clean for easy, hygienic cleaning. The stainless steel hinges are adjustable and include slow close. This seat stays tight with STA-TITE® Top Fix: the patented fixing system that keeps your seat tight and installs easily from the top of the pan. No more loose seats!

SEAT FEATURES

STA-TITE® - patented fixing system that will not loosen! Simple, "no mess" installation ensures your seat stays tight on the pan

Top Fix - installs easily from the top of the pan

Push n'Clean - the easy release system for hygienic cleaning. Simply push down and lift the seat off

Slow Close - slowly and quietly closes to prevent slamming and pinched fingers

Scratch Resistant - made from hard, Durolux® material that resists scratches

Heat Resistant - High resistance to burns and flames

- Long-lasting Durolux® thermoset plastic offers a ceramic-like shine
- Adjustable stainless steel hinges
- Fits majority of manufacturers' universal shaped pans
