

DESCRIPTION

The Canyon is an environmentally friendly, American Innova® moulded wood seat, designed for universal pans in Commercial and Residential applications.

HARDWARE KIT

Plastic Hardware Kit

- Bottom tightening

HINGES

Adjustable Plastic Tuck-Under Hinges

- Adjustable hinges provide a perfect fit by accounting for variances in standard pans
- Stylish tuck-under design minimizes exposure of the hinge

MATERIAL

American Innova®

- High-gloss finish
- Manufactured from a wood flour and thermoset resin mix
- Uses responsibly sourced wood and water-based paints

BUMPERS

- All American Innova® seats come with factory-installed, color-matched bumpers.

APPLICATIONS

- Commercial Use
- Residential Use
