

DESCRIPTION

The Asti CP is a highly stylised, American Innova® environmentally friendly, moulded wood seat, designed for universal pans in Commercial and Residential applications.

This seat features the American Innova Generation XXI material that provides a highly stylised look. It's manufactured from a wood flour and thermoset resin mix. This seat is also made from responsibly sourced wood and is finished with water-based paints making it the perfect environmentally friendly option.

HARDWARE KIT

Standard Hardware Kit

- Threaded stainless steel rod fixes into the base of the hinge
- Nuts have a domed top that helps keep them properly centered when tightening
- Bottom tightening
- Includes a custom-fit gasket to protect the ceramic and to help prevent the seat from slipping

HINGES

Adjustable Chrome Tuck-Under Hinges

- "5 Hole" system provides the perfect combination of adjustability and stability
- Stylish tuck-under design minimizes exposure of the hinge
