Bemis Pure Care® 500 **Raised toilet seat 5cm** **SKU 2550CPPXU000**

The Bemis Pure Care® 500 is a raised toilet seat made from durable ThermoSet for a classic ceramic like finish. This seat features the patented Bemis Ultra-Fix® Fixation for extra safety and security with no risk of coming loose.

Increasing the height of your toilet makes getting on and off both easier and safer. This can help with post-operative care, physical disability and age related limitations. The Pure Care® 500 seat is 5cm in height, giving the additional height required to assist in getting on and off your toilet safely without the need to invest in a raised pan.

Bemis Pure Care® 750 **Raised toilet seat 7.5cm** **SKU 2575CPPXU000**

The Bemis Pure Care® 750 is a raised toilet seat made from durable Thermoset for a classic ceramic like finish. This seat features the patented Bemis Ultra-Fix® fixation for extra safety and security with no risk of coming loose.

Increasing the height of your toilet makes getting on and off both easier and safer. This can help with post operative care, physical disability and age related limitations. The Pure Care® 750 seat is a slightly taller height of 7.5cm, giving the additional height required to assist in getting on and off your toilet safely without the need to invest in a raised pan. The higher nature of this seat means it is perfect for taller users.

Bemis Pure Care® 750 Plus Assistance 7.5cm SKU 8532CPPXU000

The Bemis Pure Care® 750 Plus toilet seat is elevated 7.5cm to make sitting and standing easier. Its innovative shield under the ring keeps everything in the bowl and is easy to clean. The wide, comfortable ring is designed to eliminate pressure points and has a weight capacity of 450kg. The seat is securely fastened with Bemis Ultra-Fix® fixation and support arms providing additional safety and assistance to users. Ergonomic design allows the user to place their hands where they can best support themselves during use. Support arms are weight bearing and tested to over 135kg per side.

- Comfortable 53cm width between the arms fits in virtually all bathrooms while providing extra width for the user
- Heavy duty, solid plastic seat tested to 450kg weight capacity. Special ring bumpers for added security
- Fits most manufacturer pans
- Made with eco-friendly materials and processes
- Easy to correctly and securely install – with Bemis Ultra-Fix® nuts
- Arm width allows the seat ring to be raised in the upright position for easy cleaning and standing use of the toilet

Coloured Seats

Research shows that colour helps those with dementia and sight reduction in locating the toilet. Contrast colours such as grey, red and blue are a great benefit.

The bright contrasting colours can help people with cognitive loss, remember where the toilet is, helping to reduce the distress and confusion when visiting the bathroom.

Bemis Atlantic Spa Colours

The Atlantic Spa seat with patented Bemis Ultra-Fix® is designed for universal pans and is made from durable, thermoplastic material. Available in a range of colours to assist those who need it in the bathroom. This seat features patented Bemis Ultra-Fix® the patented fixing system that will not loosen and takes the guesswork out of installation for a safe sturdy seat.
